

College Affordability and Transparency Act (Act 69 of 2024)

The following fees are collected by the Berks Technical Institute campuses based on the program each student enrolled in. The fees are divided equally among the number of terms of the program. The program fees cover the below items:

- Student Technology Package
- Textbooks/Textbook Access
- Consumables
- Certification Exams
- Test Prep Materials
- Toolkits
- Uniforms
- Specialized Facilities
- Equipment & Maintenance
- Background Checks
- Student Assessment Fees
- Student Activities
- Graduation
- Library

Description of Mandatory Fees

Name of Fee	General Purpose	How the fee is expected to be allocated and used	How the fee will be collected
Registration Fee	To offset the cost of enrollment related activities.	This fee covers the cost of processing the enrollment agreement, verifying student records, establishing the student's academic file, and administrative overhead associated with the admission process.	The Registration fee is a one-time fee charged in the first term of enrollment
Program Fee	A mandatory charge covering specialized equipment, facility overhead, and program-specific supplies (such as tool kits and uniforms). These items are non-refundable once issued.	Program fees represent the cost of specialized facilities, equipment, and materials required to offer a program and where applicable, tool kits, supplies and uniforms, which are non-returnable. Program fees apply to all courses in the designated program.	The total program fees are divided by the projected terms to calculate a per-term charge.
